To whom it may concern,

I Sidney Woods, Jr. would like to explain my case regarding the final report decision of owing fines. This was my first time running for office which was a new and exciting experience.

All other reports were filed in a timely manner and I funded my complete campaign with no contributions other than personal.

There was no activity on the 10 G form which I thought concluded my responsibility as I was not elected. Once the error was brought to my attention the report was filed immediately and faxed over.

Warm regards,

A handwritten signature in cursive script that reads "Sidney Woods, Jr.".
